Spring 2021

Pine Haven Foundation News and Updates

The Pine Haven Foundation was established to raise and manage funds to benefit Pine Haven Community to ensure it would continue to thrive for future generations of area seniors and their families. Pine Haven Foundation continues to serve as a financial cornerstone for Pine Haven Community to help with unmet needs and seed money to start new projects of expansion and growth.

Over the years, gifts made to the Foundation have been used for a variety of purchases and programs including: wheel chair accessible vehicles, educational scholarships, resident amenities to improve quality of life, health care equipment, building expansions, improvements and furnishings. The Foundation's newest program, Making Memories is being introduced on page two of this newsletter.

Pine Haven Foundation is a registered 501(c)3 nonprofit and is managed by the Administrator of Pine Haven and guided by a volunteer Board of Directors of community members. Thank you to current board members Randy Hoffarth, Brian Hale, Glen Hemann, Wayne Wellik, Jerry Vettel, Marie Hlava and Wendell Zwart for their leadership and guidance.

The Foundation is mostly funded by grants, direct donations and fundraisers. Financial contributions from residents, their families and the surrounding community have and continue to sustain and help grow the Foundation. We are humbled and proud to be part of such a giving community.

For more information on giving opportunities with Pine Haven Foundation, visit the Pine Haven website: www.pinehavencommunity.org, or contact Marcus Parente, Administrator or Ellen Newman, Director of Community Relations by calling: 507-356-8304.

Welcome New Pine Haven Inc. Board Member: Ron Flemke

The Pine Haven Inc. Board of Directors is made up of volunteer leaders in our community who have a passion for helping oversee the management and future direction of Pine Haven Community. The Board offers a warm welcome to its newest member, Ron Flemke.

Ron Flemke grew up on a dairy farm in rural Pine Island and graduated from the University of Minnesota with an Associate Degree in Horticulture. For the next nine years he worked at Bachman's Garden Center and Nursery in Rochester. From 1985 until 2001 Ron worked in grounds maintenance in Silver City, New Mexico. In 2001 Ron and his family returned to Pine Island where he has been self-employed with his landscape maintenance business. In early Spring he also works for his brother at Joel's Greenhouse in rural Pine Island. Ron is a member of the Pine Island Lions and the Pine Island Toastmasters. Last year Ron earned his Distinguished Toastmaster award, the highest level attainable in Toastmasters. Ron and his wife, Sue, have five children and five grandchildren.

Introducing the Pine Haven Foundation Making Memories Program

“One should enjoy life while one can”, is the motto of the Pine Haven Foundations’ Making Memories Program. Modeled after the Nationally known Make a Wish program, the Making Memories program works to collaborate financial and community resources to help make residents’ dreams, perhaps not attainable through family or regular means, come true.

*Ever thought, wouldn't it be great to take Dad to the Fair again,
but can't figure out how to make that happen?
The Making Memories program may be able to help!*

Further program information and applications are available by contacting Marcus Parence, Administrator or Ellen Newman, Community Relations Director at 507-356-8304.

The Pine Haven Clothing Portal is now open year-round. Orders will be collected monthly with the cut off the 3rd Sunday of each month with delivery to Pine Haven approximately 2 weeks after. For every purchase made, a percentage is donated back to Pine Haven projects! Check out the link:
