

December, 2021

Dear Pine Haven Community Families Friends;

I hope this letter finds you and your loved ones enjoying the holiday season. On behalf of Pine Haven Community, please know that we appreciate the continued support and kindness bestowed upon Pine Haven in 2021. We thank you for your patience as we navigate Covid together. We look forward to 2022 and working with residents, staff and community members to continue to expand programs, update equipment and move forward with long range investment goals.

I believe Pine Haven is a treasure in this community. My grandmother is a now a resident at Pine Haven Care Center and was a former Evergreen Place tenant. Our family is not from the Pine Island area originally and neither is my grandmother. When we made the decision to relocate to the Pine Island area, we were happy to find Pine Haven to accommodate the needs of my grandmother so she was not left behind, miles away in North Dakota.

My family supports Pine Haven in many ways, not only for our immediate family needs, but so that this treasure of the community can continue to offer compassionate care to the many seniors in need of their services now and into the future.

If you could consider a year end gift to Pine Haven Foundation, it would be appreciated. No gift is too small. There are many ways to contribute to Pine Haven. If you have questions on how your gift can make the greatest impact for Pine Haven's future, please contact Marcus Parence, Pine Haven's Administrator.

Wishing you and yours a wonderful holiday season and happy new year.

Sincerely,

Randy Hoffarth
