**Pine Haven Community Campus –

To help break up the winter doldrums for Pine Haven Community residents, the community is invited to join Pine Haven's Snow Week Celebration and Pine Island's Winterfest Celebration by coming to the Pine Haven campus to build a snowman. Resident's love watching families and friends get creative with snow out their windows.

To add some fun, Pine Haven Board Members will judge the creations with the competition broken into Individuals and Families, and Businesses and Community Groups. Bragging rights and some creative prizes will be awarded.

Of course, this family friendly event is weather dependent! Unfortunately, due to Covid precautions, visitors cannot enter the building to use the restrooms, please plan accordingly.

Those wishing to be part of the contest should email a picture of their snowman at Pine Haven with their name and contact information by 3:00 pm Sat. Jan. 29 to Ellen Newman at development@pinehavencommunity.org. Pine Haven Board Members will be judging Sat. Jan. 29th at 3:00 pm, with the winners announced on the Pine Haven Community Facebook page @pinehavencommunity.org.
