

Pine Haven Foundation Sustaining Fund

\$5,000 commitment over 5 years

Pine Haven Foundation has established a "Sustaining Fund" dedicated to providing a stable continued source of revenue to help with unexpected short term financial shortfalls and help stabilize the overall fund balance of the Pine Haven Foundation to allow the Foundation to serve as intended, a financial cornerstone for the mission of Pine Haven Community for future generations.

Sustaining Fund donors are asked to contribute a total of \$5,000 over a five (5) year period. This fund will be designated equally to help with short term financial needs of the campus and invested for future growth and stability to build the Foundation's overall fund balance. Donors can be anonymous or recognized in a variety of ways. Gifts made as Tributes or Memorials of loved ones will be recognized accordingly.

Pledges to the program can be paid in a one-time payment or recurring payments however the donor chooses over a period of time. Convenient recurring payments can be established through credit card or other means of payment. If consulting with your tax professional, the tax ID number for Pine Haven Foundation is: 41-1580669.
